

BODY SAFETY AUSTRALIA

Hello,

I am a member of your school community and would love to see you engage **Body Safety Australia** with the incredible work that they do. Body Safety Australia provides **whole community education** that aims to promote **childhoods free from violence where children enjoy equitable and respectful relationships**. They provide a suite of programs which would be of value to our community, including:

Superstars
Child sexual
abuse prevention

Naked Truths
Consent, digital
technology, and
emerging sexuality

Unique You
